Celebration Chorus

301 We Will Glorify (1st stanza)

The Rules of Chocolate

If you get melted chocolate all over your hands, you're eating it too slowly

Chocolate covered raisins, cherries, orange slices and strawberries all count as fruit, so eat as many as you want.

If calories are an issue, store your chocolate on top of the fridge. Calories are afraid of heights, and they will jump out of the chocolate to protect themselves.

Money talks. Chocolate sings!
