What is Disciple Now?

Disciple Now is an in-town retreat that looks like an out of town retreat! You will worship and learn together in a large group at church and then break into smaller groups for parts of the weekend. We'll have fellowship and recreation, and plenty of hang time. You will even get to stay at one of your friends' houses for the weekend! The weekend ends with a wrap up session and large group time together on Sunday morning at Oakmont Baptist Church. This year's theme is "Sequence" and we'll be taking a closer look at how Christ calls, equips and transforms His followers!

When is it and who can attend ?

Disciple Now is **March 26-28, 2010**. Any student currently in grades 7-12 can attend. Youth are encouraged to bring friends. Friends (of the same sex) will be put into small groups together.

How much does it cost?

\$40 for the whole weekend. That includes meals, group recreation, program fees and a t-shirt.
