

## OAKMONT YOUTH MINISTRY

*Oakmont Youth Ministry seeks to engage students with the life giving truths of the Word of Christ. We provide a safe place where students can interact with their peers through worship and fellowship, and it is our desire that each student know the joy and simplicity of a real and genuine relationship with Christ Jesus.*

## Small Groups

Small groups meet on Sunday nights on the church campus. Anyone in grades 7-12 can be involved in a small group. Want to grow closer to God while connecting with friends? Talk to Amy about getting involved in small group to study God's word.

*Connect with God ... Connect with old friends ... make new ones ...*

## Mission Projects

Join us for local, national and international projects for all students. From inner city projects to housing construction, students share their lives with others and follow the example of Christ through service. See God in a new way by helping others.

## Retreats and Camps

Get away and reconnect with God and your friends at a summer camp or on weekend retreats.

Try your skills on the ski slopes....or...

Challenge yourself mentally and physically on the backpacking expedition...or...

Relax and experience God and others in a

fresh way during DiscipleNow.

Need to get away from it all?  
We know just the place.
